

# Computers for Schools Manitoba

## Do you need a computer?

Computers for Schools Manitoba refurbishes computers and related equipment donated by governments, businesses, and individuals. These computers are distributed across Manitoba to schools, libraries, registered not-for-profit learning organizations, aboriginal communities, and post-secondary students.

## The Process

- ✓ To receive equipment from CFS-MB, an application must be submitted using our [online application form](#). Phone applications are also accepted. Please contact us if you would like an application form mailed to you.
- ✓ We place all applications into a queue and process on a first-come first-serve basis. Our typical wait time is about two weeks. Longer delays may occur depending on available stock and order volume.
- ✓ Once an order has been fulfilled, we will send an e-mail to notify the client that the order is ready to be picked up.
